

LOOKING FORWARD TO THE SUMMER **HEAT?**

Then you probably don't have MS.

That's because heat frequently affects people with MS causing extreme fatigue and severely affecting their quality of life. **But you can help.**

Get involved in these upcoming events, so one day people with MS can enjoy the summer heat as much as you do.

Events

9 Hole Golf Challenge—September 21 at the Port Coquitlam Golf Club in Port Coquitlam. If your credo is "life is golf and life is life," then this event is for you. Play 9 holes from dawn 'til dusk and raise money for people with MS while doing it!

Electronic Golf Charitable Organization

(E.G.O.) Golf Tournament—June 26 at Meadow Lake Golf Course.

Vancouver Open—See how the pros do it by participating in our specially discounted GVO packages by John at the MS Society at 602-3211.

Call for MS—Look out for MS volunteers around the Greater Mainland all summer long. Great prizes and great people!

Investors Group MS Bike Tour

Pedal with Purpose

It's time to "gear" up for the Ninth Annual Investors Group MS BIKE TOUR to help "Connect With A Cure" for Multiple Sclerosis. This year

riders have the option to TOUR a "country" or "city" route and can take part in one of three TOURs taking place in Greater Vancouver, the Fraser Valley or Kamloops. So, don't delay, register yourself, a friend or a team today and earn fabulous prizes. Call the MS Society at (604) 689-3144 or 1-800-268-7582 to register.

Multiple Sclerosis is a disease of the central nervous system that affects 50,000 Canadians. Its effects range from fatigue or muscle weakness to loss of vision, paralysis and other problems. The Multiple Sclerosis Society of Canada funds research aimed at finding the cause, cure and prevention of MS and provides services for people with MS and their families.
